

UNIWERSYTET JAGIELLOŃSKI
W KRAKOWIE

**THE DEAN
OF THE FACULTY OF PHYSICS,
ASTRONOMY AND APPLIED
COMPUTER SCIENCE**

Address: Prof. St. Łojasiewicza St. 11,
30-348 Cracow, POLAND
phone / fax.: 12 664 48 90

Cracow, 2-nd April, 2019

**THE RECTOR
of the Jagiellonian University
announces a competition for the post of
RESEARCHER ASSISTANT
in the Institute of Physics
at the Faculty of Physics, Astronomy and Applied Computer Science
in the field of theoretical physics**

Eligible candidates must meet the requirements in Article 113, 116 (2) of the “Law on Higher Education and Science” (20 July, 2018) and meet the following qualification criteria:

- hold the degree of magister in physics or an equivalent degree,
- have a doctoral dissertation completed or at an advanced stage, which is confirmed by the opinion of a tutor,
- have a documented scientific achievements,
- possess the knowledge of quantum mechanics and field theory at the university level,
- have basic experience in numerical calculations and/or similar in applications of symbolic, algebraic programs,
- in the case of acceptance, the Jagiellonian University will be their only place of employment.

Successful applicant will be hired from the funds of the NCN Grant “Nonperturbative studies of quantum field theories with gauge symmetry” — UMO-2016/21/B/ST2/01492. The employment is last for one year. There is a possibility to extend the project. He does not perform any teaching duties. The candidate’s obligation will consist of carrying the research foreseen in the above project.

Interested candidates should send an e-mail the secretary of the project Alicja.Myslek@uj.edu.pl and cc/ leader Jacek.Wosiek@uj.edu.pl the following documents:

1. application together with the letter of intent,
2. curriculum vitae containing the information about research carried up to date and about other scientific achievements,
3. list of publications as well as that of conference lectures and talks,
4. at last one recommendation letter.

Other, more detailed, informations about the position may be received upon the request from prof. Jacek Wosiek.

Applications can be submitted by: May 15, 2019

The decision to settle the competition will be taken by May 31, 2019

Jagiellonian University does not provide housing.

Statement forms can be downloaded on the website:
