Kraków, April 29, 2021

RECTOR
of the Jagiellonian University
announces a competitive selection process for the post of an
ASSISTANT PROFESSOR
in the research and teaching staff member group
at the Institute Astronomical Observatory
Faculty of Physics, Astronomy and Applied Computer Science
Academic field: ASTRONOMY

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:

- 1) Holding at least a doctoral degree;
- 2) Having relevant scientific achievements;
- 3) Taking active part in scientific life;
- 4) Having experience in teaching work.

Additional requirements for the candidate:

- 5) a high evaluation of the doctoral or habilitation thesis,
- 6) relevant scientific output, including, apart from the doctoral dissertation, also other important publications, active participation in scientific life, particularly in presentations at conferences and symposia,,
- 7) positive opinion of the direct superior (e.g. head of the department or scientific supervisor) on the candidate's qualifications and suitability for scientific and teaching work,
- 8) ability to conduct didactic classes for students in Polish and English.

We expect from the candidate:

- ability to conduct research within the research topics carried out in the Department of Radioastronomy and Space Physics, in particular observations and theoretical-modelling concerning the interstellar and intergalactic media of galaxies and radio galaxies,
- activity in obtaining financial resources for research,
- readiness to carry out research in foreign institutes when desirable.

The candidates, who would like to take part in the competitive selection process, **should send to Secretary of the Astronomical Observatory of the Jagiellonian University, ul. Orla 171, 30-244.Kraków**, or e- mail: wydzial.fais@uj.edu.pl the following documents:

- 1) application form,
- 2) resume,
- 3) personal questionnaire filled in by the candidate,
- 4) copy of the doctoral diploma or a diploma confirming the candidate's habilitation degree, if applicable,
- 5) summary of professional accomplishments reflecting the candidate's major research areas and scientific, teaching, and organisational achievements,
- 6) a list of publications (indicating the publisher and the number of pages),
- 7) information concerning educational activities carried out by the candidate, if any
- 8) doctoral dissertation or habilitation dissertation review, if applicable,
- 9) latest performance evaluation form, if the candidate was subject to such evaluation,
- 10) recommendation concerning the candidate's research and teaching work, issued by the director of the organisational unit or a scientific supervisor, including the results of student surveys and evaluations, if the candidate was subject to such evaluation,

- 11) declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process,
- 12) declaration under Article 113 of the Law on Higher Education and Science,
- 13) declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University,
- 14) information regarding processing of personal data.

Opening date: May, 5, 2021.

Application submission deadline: June 5, 2021.

The competitive selection process will be concluded by June 23, 2021.

Note: the Jagiellonian University does not provide housing.

Declaration forms can be obtained at:
