Krakow, 04.06.2023

RECTOR
of the Jagiellonian University
announces a competitive selection process for the post of an
ASSISTANT
in the research staff member group
of the Faculty of Physics, Astronomy and Applied Computer Science
in academic discipline: Physical Sciences
in experimental research directly connected to subject of the project "Early-stage abrasive wear of crystalline and amorphous transition metal dichalcogenides"

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.4) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 166 of the Statute of the Jagiellonian University:

1) Holding at least a Master's degree, Master of Science degree or an equivalent degree;
2) Exhibiting aptitude for research work;
3) Being prepared for carrying out teaching work – this requirement does not apply to candidates for positions in the research staff member group.

Additional criteria:
- the academic achievements should be confirmed by a publication record in renowned journals.

An ideal candidate should:
- have experience and knowledge of AFM/STM microscopy techniques,
- participate in an ongoing academic collaboration with leading research institutions,
- have excellent written and oral communication skills in English.

The post holder is required to:
- be dedicated to research conducted in the scientific project
- publish articles in leading journals,
- present their research at international conferences

Jagiellonian University offers a full-time salary comprising base remuneration up to 24 months.

The candidates, who would like to take part in the competitive selection process, should submit the following documents to the Project Manager of **"Early-stage abrasive wear of crystalline and amorphous transition metal dichalcogenides"** email address (enrico.gnecco@uj.edu.pl):

1. application form;
2. resume;
3. personal questionnaire filled in by the candidate;
4. copy of the master's diploma or a doctoral diploma, if applicable;
5. information on the candidate's scientific, teaching and organisational achievements;
6. list of publications (along with the respective publishing houses and the number of pages), if applicable;
7. information concerning educational activities carried out by the candidate, if any
   – this requirement does not apply to candidates for positions in the research staff member group.
8. latest performance evaluation form, if the candidate was subject to such evaluation;

9. recommendation concerning the candidate's ability to work as an academic teacher, issued by the director of the organisational unit or a scientific supervisor, including the results of student surveys and evaluations, if the candidate was subject to such evaluation, as well as recommendation concerning the candidate's scientific work;

10. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;

11. declaration under Article 113 of the Law on Higher Education and Science;

12. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;

13. information regarding processing of personal data;

Opening date: 05.06.2023.
Application submission deadline: 20.06.2023.
The competitive selection process will be concluded by 28.06.2023.

The Jagiellonian University does not provide housing.

Declaration forms can be obtained at:
