

Competition for scholarship position in the NCN project

We invite to apply for the scholarship in the NCN project “New hints on the nature and evolution of radio galaxies based on ROGUE - the largest human-made catalogue of radio sources with optical counterparts”, UMO-2021/43/B/ST9/03246, PSP: K/NCN/000062. Project will be conducted in the Faculty of Physics, Astronomy and Applied Computer Science of the Jagiellonian University.

Unit name:

Faculty of Physics, Astronomy and Applied Computer Science, Jagiellonian University, Kraków

Position name: scholarship

Requirements:

- experience in analysis of radio maps of astrophysical objects,
- the basics of programming,
- knowledge of basic radiation processes in astrophysical context,
- knowledge of English: efficient communication and reading of texts,
- the status of master/doctoral student at a Polish university/research institute, preferentially in astronomy or physics.

Task description:

- analysis of radio data and studying of the central activity in radiogalaxies,
- statistical correlations of physical parameters for large samples of objects.

The type of NCN grant: OPUS

The deadline for the submission: 18.12.2023

Application should be sent by an e-mail to: dorota.koziel@uj.edu.pl

The conditions of employment:

- scholarship in amount of 2000PLN/month for 12 months starting from January 2024, with the possibility of extension.

The application for the scholarship must contain:

- cover letter;
- CV;
- information on data processing (enclosed below);
- information about previous scientific interests, projects, achievements, and awards.

The competition committee, after collecting the applications, will qualify the candidates on the basis of submitted documents. The Commission may also invite selected candidates for interviews. Candidates will be individually informed about the results of the first stage of recruitment and possibly about the date of interviews. Results will be announced not later than 30.12.2023.

INFORMATION ON DATA PROCESSING
in the competitive procedure and the agreement for the implementation of research and funding
of a scholarship awarded by the National Science Center

According to the Art. 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data (General Data Protection Regulation, hereinafter referred to as "GDPR") Jagiellonian University informs that:

1. **The controller** of your personal data is Jagiellonian University, Gołębia 24 Str., 31-007 Kraków, represented by the JU Rector.

2. The controller's representative designed for this purpose is the **Data Protection Inspector**, Gołębia 24 Str., 31-007 Kraków, office 31. You may contact him through his e-mail: iod@uj.edu.pl, or by phone: 12 663 1225.

3. Your personal data will be processed according to the Art. 6.1. b) **in order to** carry out the necessary procedures for the scholarship competitions, the award of scholarships in research projects funded by the National Science Centre, and in the case of election of a Scholarship Holder in connection with the conclusion of an agreement for the scholarship payment and activities related to the collection of scientific scholarship according to the Regulations for granting scientific scholarships in the scientific projects funded by the National Science Centre, the project grant agreement "New hints on the nature and evolution of radio galaxies based on ROGUE - the largest human-made catalogue of radio sources with optical counterparts" (Hereinafter referred to as the "Project"), under which is the competition for the position of Scholarship Holder.

4. Providing personal data is voluntary, but necessary to participate in the recruitment procedure, and in case of being accepted - is a condition for signing a project financing agreement and implementation of an agreement for the scholarship payment.

5. The recipients of your personal data **will be**: the National Science Centre based in Krakow, institutions evaluating or controlling the correct implementation of the project within which the agreement was concluded, auditors acting in accordance with the law or on behalf of Jagiellonian University, institutions such as the Supreme Chamber of Control, the competent tax office and the Social Insurance Institution, other entities authorized to obtain data on the basis of the law and the grant agreement concluded with the National Science Centre.

6. Your personal data will not be transferred to third countries (outside the European Economic Area) or to international organizations. If, however, your data in the recruitment process is transferred to the Jagiellonian University in an electronic version, they can be processed in the Office 365 OneDrive cloud based on the entrustment agreement between the Jagiellonian University and Microsoft and on the basis of a document called the "Privacy Shield" implemented by Microsoft.

7. Your personal data **will be processed for the period**: until the completion of the project and settlement of the project financing agreement concluded with the National Science Centre, and then until the expiry of the period of prescription under the grant agreement; for archiving purposes - for a period of time prescribed by law.

8. You have the **right to**: obtain information about the processing of personal data and rights granted in accordance with the GDPR, access to your data and its rectification, as well as the right to delete personal data from the administrator's bases (unless further processing is necessary for the implementation of legal obligation or to establish, investigate or defend claims), and the right to limit the processing, data transfer, objecting to the processing - in the cases and on the conditions specified in the GDPR.

9. Your personal data will not be subject to automatic decision making or profiling.

10. You have the right **to complain to the President of the Office for Personal Data Protection** in the event of recognition that the processing of your personal data violates the provisions of the GDPR.

I confirm that I have read and accept the information above.
