***Announcement of the Dean of the Faculty of
Physics, Astronomy and Applied Computer
Science***

To all members of the research and research-teaching staff.

Dear Staff Members,

All employees conducting scientific duties at the Faculty of Physics, Astronomy and Applied Computer Science are obliged to fill out a questionnaire reporting annually research activities performed in our units.

The questionnaire is available on the web-page

<https://th.if.uj.edu.pl/ankiety/>

after logon with your JU user identification and password. The access to the questionnaire will be activated on January 8th.

The deadline for submission is **February 29th**

At the same time, I would like to remind you that the obligation to complete the questionnaire each year is incumbent on all research and teaching and research employees, regardless of their academic teaching position.

Based on the data obtained, the Achievement Survey Committee prepares a list of employees proposed for awards from the Jagiellonian University Rector for distinguished activity in 2023.

Sincerely yours,

Prof. dr hab. Ewa Gudowska-Nowak
Dean, Faculty of Physics, Astronomy and Applied Computer Science
