

**THE DEAN
OF THE FACULTY OF PHYSICS,
ASTRONOMY AND APPLIED
COMPUTER SCIENCE**

Cracow, 26-th March, 2017

Address: Prof. St. Łojasiewicza St. 11, 30-348 Cracow, POLAND
phone / fax.: 12 664 48 90

**THE RECTOR
of the Jagellonian University
announces a competition for
A POSTDOC POSITION
in the Institute of Physics
at the Faculty of Physics, Astronomy and Applied Computer Science
in the field of theoretical physics**

Eligible candidates must meet the requirements in art. 109, which was established in 27.07.2005 — the Law on Higher Education (Dz. U. nr 164, poz. 1365), and meet the following qualification criteria:

- have a Ph.D. degree in physics,
- have a documented scientific achievements,
- possess the knowledge of quantum mechanics and field theory at the university level,
- have basic experience in numerical calculations and/or similar in applications of symbolic, algebraic programs,
- -in the case of acceptance, the Jagiellonian University will be their only place of employment.

Successful applicant will be hired from the funds of the NCN Grant “Nonperturbative studies of quantum field theories with gauge symmetry” — UMO-2016/21/B/ST2/01492. The employment is expected to last for three years, that is until the end of the grant, and does not carry any teaching duties. The candidate's obligation will consist of carrying the research foreseen in the above project.

The job may start in the summer 2017, but not later than 1 October, 2017.

Interested candidates should e-mail the project leader (Jacek.Wosiek@uj.edu.pl) the following documents:

1. application together with the letter of intent,
2. curriculum vitae containing the information about research carried up to date and about other scientific achievements,
3. list of publications as well as that of conference lectures and talks,
4. at least two recommendation letters, sent to the above address by the applications deadline given below.

Other, more detailed, informations about the position may be received upon the request from prof. Jacek Wosiek.

Prior to signing the contract, accepted candidate will have to provide the Secretary of the Director of the Institute of Physics with the complete set of documents required for employment at the Jagellonian University.

The deadline for submitting applications is: 15 May, 2017.
